Dear Ms. Polanco:

The United States Postal Service (USPS) has, after careful analysis of changing marketing conditions, determined it will not pursue the potential disposal of this Property at this time. If the USPS determines in the future that conditions are appropriate to pursue a disposal undertaking, it will reinitiate Section 106 consultation.

Thank you for your assistance in this matter. Should you have any questions concerning this letter, please contact the undersigned at (202) 268-2782, or by email at daniel.b.delahaye@usps.gov.

Sincerely,

Daniel B. Delahaye
