(date)

2. In accordance with applicable law, 39 U.S.C. § 404(d)(5), the Petitioner(s) request the Postal Regulatory Commission to review the Postal Service's Final Determination on the basis of the Administrative Record before the Postal Service in the making of the Final Determination.

The Postal Service did not follow the procedure required by law

The Postal Service did not adequately consider certain issues it is required to consider.

facts relied on by the Postal Service have not been established.

it was never considered the effect of the closing or consolidation on the community service by the post office.

They have not considered whether the closing or consolidation is consistent with a policy of the government that the

postal Service shall provide a maximum degree of effective and regular Postal Service to rural areas, communities,

and small towns were post offices are not self sustaining.

arbitrary, capricious, and abuse of discretion, or otherwise, not in accordance with the law.

without observance and procedure required by law, we're unsupported by substantial evidence on record.

The APWU has collected so far 195 signatures from the community served by Sherwood and receiving more everyday. The people want their voices to be heard. their mail contains medicines and important paperwork and parcels etc. Taking their mail to Gage post office will definitely not fix any problems the postal service is having . It will only cause more chaos. Gage station has a line out the door and adding 100 + customers a day is not conducive to any problems that exist.

I am including an email to the Postmaster of Topeka, Ks. I did file a grievance and asked for any infomation.pl he did send this email.

I am including the signatures of the community that have visited the postal service at Sherwood from august 07th thru 13th 2023. We have more being signed at this very moment. Just recieved 30 more signatures 1 hour ago.

I also filed a grievance on 08/03/2023 I am including that as well.

I feel so lucky I found you, I have talked to the Mayor's assistant and congress. No answers And no where to turn.

Thank you so much, Catherine Hackett-Brown (representing) the Sherwood post office community.

APWU local 270 (american postal workers union) President.
